

PDSVISION Announces New Chairman of the Board

Press Release - 6 October 2020

STOCKHOLM, SWEDEN - PDSVISION Group announces that Christer Wallberg has been elected as Chairman of the Board, as of today 6 Oct 2020.

The new Board, constituted on 6 Oct 2020, consists of Christer Wallberg (Chairman), Johan Torstensson, Johan Klingvall, Johan Pålsson, and Pia Kåll.

Christer is an experienced IT and business entrepreneur with reputation within PLM for establishing the global group - Tacton Systems. In addition to being the current Executive Vice President of Tacton and the engineering consulting company Deva Mecaneyes, Christer is also Chairman of the Board of Directors with ALMI Invest East Mid Sweden. Christer is also a Member of the Board of Directors for the PLM consultants FiloProcess, IoT consultant Trittech Technology, the Industrial Sensor company Regal Components and the software company Scandisys.

"I am pleased and honored to be asked to join PDSVISION Group as Chairman of the Board. PDSVISION is already a strong, profitable, and sustainable company. I look forward to helping the group continue its impressive growth as it expands further, into more global territories, and I will continue to enhance its reputation as a trusted partner worldwide", says **Christer Wallberg**, Chairman of the Board, PDSVISION Group.

"...with Christer taking the position as our new Chairman, PDSVISION will be able to utilize his vast experience and knowledge of the technology industry to support us to build on our winning culture and expand our global reputation even further", says **Otto Wetterlin**, CEO, PDSVISION Group.

"Christer joining PDSVISION is a sign of our commitment to accelerating growth and to maintain the foundations that have made PDSVISION a global provider of services and solutions. It helps increase its reputation as a trusted partner across a range of business sectors and services.", says **Johan Pålsson**, Co-managing Partner, CapMan Buyout.

About PDSVISION

PDSVISION is a global provider of solutions and services focused on helping companies successfully enable their Digital Transformation Journey specialized in 3D Design (CAD), Product Lifecycle Management (PLM), Product Data Management (PDM), Simulation Modelling (CAE), Internet of Things (IoT), Augmented Reality (AR) and Aftermarket Solutions.

PDSVISION is considered the leading and trusted advisor within the product development sectors. We achieve this by combining best-in-class software solutions, technical support and professional training, with divisions located across the globe.

Our solutions are mainly based around the PTC portfolio of products and services including PTC Creo, PTC Windchill, Arbortext and Thingworx - as well as ANSYS CAE simulations solutions. We also develop our own range of software applications to add extra functionality to further enhance utilization for our main solutions.

PDSVISION Group is comprised of several independent companies, based globally. The parent group, as well as its individual divisions and subsidiaries are accredited with both global and local credit awards, ensuring a sound financial footing for all commercial relationships and dealings.
