

PDSVISION Announces New Member of the Board

Press Release - 9 October 2020

STOCKHOLM, SWEDEN - PDSVISION Group announces that Johan Torstensson will join the Board of Directors as of 6 Oct 2020.

He joins the new Board, constituted on 6 Oct 2020, which will now consist of Christer Wallberg (Chairman), Johan Torstensson, Johan Klingvall, Johan Pålsson, and Pia Kåll.

Johan Torstensson is known within the IT & Telecommunications sectors due to his successful time with Ericsson, where he undertook a variety of key positions including Chief Information Officer, Head of Group IT and Vice President. His other previous senior roles include Global Delivery Executive at Hewlett-Packard and Senior Advisor at Technology Partner International. He has since gone on to utilize his experience of cloud communications in his current role as Head of Cloud & Infra services, with TietoEVRY.

"The opportunity to work with PDSVISION is an exciting and a new challenge for me. From its Nordic beginnings it has grown into a global player with the potential and the team to grow even further. I look forward to contributing to this growth by utilizing my experience in the sector to help push forward the close relationships and winning culture that have made this possible", says **Johan Torstensson**, Member of the Board, PDSVISION Group.

"I am glad Johan has decided to join us at PDSVISION, as his vast experience in the market can only help the group as it continues to grow and matures into a true global brand, recognized for its ability to help companies based on our expert knowledge and trusted partnerships", says **Otto Wetterlin**, CEO, PDSVISION Group.

"Johan joining PDSVISION along with other recent additions to the board shows further the commitment we have to the group's continued growth and further development. Johan will help PDSVISION continue to forge new relationships in a variety of sectors for an increasing variety of customers", says **Johan Pålsson**, Co-managing Partner, CapMan Buyout.

About PDSVISION

PDSVISION is a global provider of solutions and services focused on helping companies successfully enable their Digital Transformation Journey specialized in 3D Design (CAD), Product Lifecycle Management (PLM), Product Data Management (PDM), Simulation Modelling (CAE), Internet of Things (IoT), Augmented Reality (AR) and Aftermarket Solutions.

PDSVISION is considered the leading and trusted advisor within the product development sectors. We achieve this by combining best-in-class software solutions, technical support and professional training, with divisions located across the globe.

Our solutions are mainly based around the PTC portfolio of products and services including PTC Creo, PTC Windchill, Arbortext and Thingworx - as well as ANSYS CAE simulations solutions. We also develop our own range of software applications to add extra functionality to further enhance utilization for our main solutions.

PDSVISION Group is comprised of several independent companies, based globally. The parent group, as well as its individual divisions and subsidiaries are accredited with both global and local credit awards, ensuring a sound financial footing for all commercial relationships and dealings.
